## Languages

## Projects

### Mphotog

Simple website for photographing stuff including taking pictures at weddings,hiring cameras and cameramen and editing photos and videos.

### SupaMenu

This is a website showing clients available menus and their respective costs then making orders

### Todo

This is my first project of making a todo list. You can remove todo,edit or delete a todo .

### Memory Photo game

This is a game of hidden photos where you click to show one and click on another. If they are the same they all disappear then you try your best to minimize how many times you hover to see a photo.

## Hobbies

### Music

I like listening to classical music.

### Reading

I also like to read novels

### Chat

In breaks i sometimes hangout with my fiends

### Games

-Solitaire

-Online typing games.

-My memory photo game.

-I like to play a guessing game which i made.
